SUMMARY

Salesforce Marketing Cloud Consultant & Solutions Architect with 3+ years of experience leading cross-functional teams to deliver scalable, enterprise-grade CRM solutions. Specialized in complex data-driven strategies, Multi-Brand Opt-In Architectures, and strict GDPR compliance for global brands like Pernod Ricard. Leverages Einstein AI and omnichannel marketing automation to drive tangible outcomes, including a recent 27% boost in overall campaign engagement.

PROFESSIONAL EXPERIENCE

SFMC Campaign Developer Team Lead & Data Specialist 2023 – 2026
Ministry of CRM (Pernod Ricard Account) Istanbul, Turkey

- **Architected Multi-Brand CRM Ecosystem:** Spearheaded the technical delivery of advanced CRM solutions across 15+ international alcohol brands, ensuring end-to-end data integrity and seamless omnichannel campaign execution.
- **Engineered Global Consent Architecture:** Designed and deployed a centralized, robust preference center using CloudPages, AMPscript, and SQL, guaranteeing strict GDPR and regional privacy compliance across all European markets.
- **Driven AI-Powered Engagement:** Integrated Salesforce Einstein AI Send Time Optimization (STO) and predictive behavioral models into complex Journey Builder workflows, resulting in a 27% increase in overall email open rates.
- **Automated Data Ingestion Pipelines:** Developed real-time API integrations connecting external data sources, including Facebook Meta Lead Ads, directly into SFMC via SSJS, SQL, and AMPscript, eliminating manual data entry and accelerating lead response times.
- **Optimized Dynamic Content Strategies:** Programmed highly personalized, responsive email templates and interactive CloudPages leveraging HTML5, CSS3, JS, and advanced AMPscript logic to maximize user retention and conversion rates.
